

Making It Happen

Monday 3rd June 5-7pm, County Hall, Worcester

You are invited to join us in our Council Chamber for an event shining a light on volunteering.

The event will see Councillor Lucy Hodgson announce our new Community Solution Fund, which will provide support to Voluntary and Community Sector Organisations.

RSVP now by emailing: volunteerweek@worcestershire.gov.uk

Earlier that day we are also holding an event for Worcestershire County Council staff to find out more about getting involved in volunteering. Voluntary and Community Sector Organisations are welcome to attend between 12-2pm to showcase volunteering opportunities and engage directly with staff interested in getting involved in volunteering.

If you are interested in having a stand at this staff event, please email: volunteerweek@worcestershire.gov.uk
