

# Go On Worcestershire Digital Skills Charter

Our vision is to make Worcestershire a place where everyone has the opportunity and support to confidently go online.

Partners will work to an agreed strategy and shared action plan.

By committing to the Digital Skills Charter, our partners are helping every person in the UK get connected. However big or small, your organisation has a vital role to play. Make it work for you.

## COLLEAGUES

Everyone in my organisation should have Basic Online Skills

## CUSTOMERS

Everyone deserves online services that meet their needs

## COMMUNITY

People without basic online skills become more confident and are not left behind
